The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.

7. bidder may not bid on behalf of a party who is on the prohibited bidder list.

12. Bidder acknowledges receipt of the pamphlet entitled "Protecting Your Family From Lead in Your Home." Bidder also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards, mold, asbestos or any other hazardous substances.

13. The former owner of the property, or his agent, shall not be deemed to be the successful bidder on the property or purchase same at the public auction, unless the bid amount exceeds the amount of the purchase price to affect the release of County's interest. If the former owner or his agent reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign the deed to reinstate the liens.

14. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the Orleans County Clerk's Office. The purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid, unless the County agrees in writing. The deed prepared will be in the name of the successful bidder (and spouse) only. No third-party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.

15. The auctioneer's decision regarding any disputes is final, and the auctioneer reserves the right to reject any bid that is not an appreciable advancement over the proceeding bid.

16. The Purchaser will execute an Offer to Purchase form immediately upon being declared the high bidder. The approval of each bid by Resolution of the County Legislature will not constitute a Contract of Sale and the County reserves the right to reject any bid prior to the closing of title and the recording of the deed.

17. Purchaser shall be responsible for the payment of an eleven percent (11%) buyer's premium for credit card deposits, ten percent (10%) buyer's premium for cash or guaranteed funds deposits in addition to the accepted purchase price, an advertising fee of 1.5% of the bid price, and the closing fees/costs. The "buyer's premium" is the fee/commission earned by the auctioneer. Accepted purchase price is the amount bid by the highest bidder, which has been approved by the Orleans County Legislature.

18. All required deposits must be paid in full for all successful bids immediately upon being declared the successful bidder. Any successful bidder, who fails to tender the deposit immediately upon being declared the successful bidder, will be forbidden to participate in this or any other auction. Any parcels which the County did not receive deposits for, as per these terms and conditions, will be considered to be defaulted, and resold and the bidder will be disqualified from further bidding.

19. 25% of the total contract price (total contract price is the combination of the high bid plus the buyer's premium, as defined in section 17 of these terms and conditions), shall be paid as a down payment on the day of the auction upon execution of an Offer to Purchase Form. The buyer's premium is wholly based on the down payment type. Total contract prices selling \$250 or less must be paid in full at auction, including all closing costs which consist of the following will be paid with the down payment on the day of the auction for each parcel: (a) New York State Transfer Tax [\$4.00 for the first \$1,000; \$2.00 for each \$500 thereafter of the purchase/bid price]; (b) Filing Fee for the Real Property Transfer Report [\$25.00 if the parcels classification code is 100-199, 200-299 or 411-C; \$250.00 for all parcels otherwise classified], (c) Filing Fee for combined Gains Transfer Tax Affidavit [\$5.00]; (c) all fees required by the Orleans County Clerk for recording of the deed [\$50.00 to record a one page deed; \$5.00 for each additional page], (d) 1.5% advertising fee as described in section 17. Closing costs may be subjected to an increase in fees as required by law, without notice. All deposits must be made in cash or guaranteed funds payable to the "Orleans County Treasurer" and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.

20. The Purchaser paying the minimum deposit by credit card understands and agrees that all deposits collected by credit card will be turned over to the Orleans County Treasurer. Credit cards can be used for the minimum deposit only, not the total contract price. The Purchaser paying by credit card(s) agrees that they shall NOT attempt a charge back on their credit card(s) used in this/these transaction(s) for any reason whatsoever. In such event that a charge back is initiated by Purchaser and that such attempt is upheld in favor of Auctioneer/Orleans County, Purchaser agrees and authorizes to compensate Auctioneer with a \$750.00 recovery fee as a new charge to their credit card(s) without requiring additional Purchaser signature(s). Failure to pay such recovery fee will result in collection action against said Purchaser(s).

21. All bids shall be subject to approval by the Orleans County Legislature, which shall have the right, in the Legislature's sole discretion, to reject any bid for any reason whatsoever.

22. The entire balance of the accepted purchase price, the buyer's premium, as defined in section 17 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds to the Orleans County Treasurer's Office on or before March 19, 2026. The County is not required to send notice of acceptance to a purchaser. If the purchaser fails to pay the balance of the total contract price plus closing costs and fees as herein provided, the deposit shall be forfeited. The County reserves the right, in its sole discretion, to extend the time of payment upon such terms and conditions it deems appropriate.

23. If the successful bidder fails to tender such amount due by the close of business on March 19, 2026, then the County may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.

24. All parcels for which you are the successful bidder for must be paid in full. No selective closings subsequent to the auction. Failure to remit full payment on all parcels for which you are the successful bidder will result in a default of all deposits tendered, and you will not be permitted to close on any other parcels for which you are the successful bidder. The County reserves the right to bring an action for specific performance. "Time is of the essence." If purchaser does not complete and return the transfer documents needed to file the deed, the purchaser forfeits their rights to the property and will not receive a refund.

25. All sales shall be final, absolute and without recourse, once title has closed and the deed has been recorded. In no event, shall Orleans County and/or Absolute Auctions & Realty, Inc. be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against Orleans County and/or Absolute Auctions & Realty, Inc. arising from this sale.

26. The County of Orleans will execute no warranties concerning the parcel or title thereto and will not deliver or be responsible for abstracts, title insurance, title searches, surveys, maps or other documents concerning a parcel whatsoever.

27. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the County acquired title or as corrected up to date of deed. The deed will be recorded by the County upon payment in full of the accepted purchase price, buyer's premium, and closing fees/costs. POSSESSION OF PROPERTY IS FORBIDDEN UNTIL THE DEED IS RECORDED WITH THE ORLEANS COUNTY CLERK CONVEYING TITLE TO THE PURCHASER. TITLE VESTS AT THE RECORDING OF THE DEED. It is agreed between the County and the purchaser that delivery and acceptance of the deed occurs upon recording the deed.

28. A quitclaim deed issued as a result of the auction shall contain the following provisions: (a) "Nothing contained in any description herein is intended to convey more than the assessed owner owned at the time of the levy of the tax, the non-payment of which resulted in the tax sale. There is no representation as to the extent of the acreage conveyed herein;" (b) Orleans County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever, or for any encroachments or disputed boundaries; and that no claim or demand of any nature shall ever be made against said Orleans County arising from such sale or conveyance or any proceedings leading thereto.

29. Evictions, if necessary, are solely the responsibility of the successful purchaser after closing and recording of the deed. PLEASE NOTE: All bidders are advised that the properties are sold subject to the rights of tenants or persons otherwise occupying the properties, if any. Responsibility to evict any tenants or take similar action concerning occupancy of the premises is the sole responsibility of the bidder. Eviction proceedings are subject to NYS law including any Executive Orders of the Governor and Administrative Orders of the NYS court system.

30. Bidder gives permission for Auctioneer and those acting pursuant to its authority to photograph, video tape, or use any other electronic method of recording my likeness and/or voice to be used at the Auctioneer's discretion in auction-related publications and/or websites.

A new state law has imposed new requirements for certain real estate transfer tax filings. Effective September 13, 2019, when a limited liability company (LLC) is the grantor or grantee in a deed transfer of a one- to four-family residence or a residential condominium, the following forms cannot be accepted for filing unless accompanied by documentation that identifies the names and business addresses of all members, managers and other *authorized persons* of the LLC:

- [Form TP-584](#), *Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax*; and
- [Form TP-584-NYC](#), *Combined Real Estate Transfer Tax Return, Credit Line Mortgage Certificate, and Certification of Exemption from the Payment of Estimated Personal Income Tax for the Conveyance of Real Property Located in New York City*

The required documentation must include a list of all members, managers and other authorized persons of the LLC. If any member of the LLC is itself an LLC or other business entity, the names and addresses of the shareholders, directors, officers, members, managers and/or partners of that LLC or other business entity must also be provided until ultimate ownership by *natural persons* is disclosed.

The documentation should include the name, business address and taxpayer identification number for each individual and entity. In addition, documentation should demonstrate that 100% of the ownership of each entity has been reported.

Authorized person means a person, whether or not a member, who is authorized by the operating agreement, or otherwise, to act on behalf of an LLC or foreign LLC.

Natural person means a human being, as opposed to an artificial person, who is the beneficial owner of the real property. A natural person does not include a corporation or partnership, natural person(s) operating a business under a d/b/a (doing business as), an estate (such as the estate of a bankrupt or deceased person), or a trust.

Form TP-584 (7/19) and Form TP-584-NYC (7/19) and their corresponding instructions will be revised to instruct filers of this new requirement. However, in the meantime, the required documentation should be included as an attachment to the existing form.

New York State Disclosure Form for Buyer and Seller

THIS IS NOT A CONTRACT

New York State law requires real estate licensees who are acting as agents of buyers or sellers of property to advise the potential buyers or sellers with whom they work of the nature of their agency relationship and the rights and obligations it creates. This disclosure will help you to make informed choices about your relationship with the real estate broker and its sales agents.

Throughout the transaction you may receive more than one disclosure form. The law may require each agent assisting in the transaction to present you with this disclosure form. A real estate agent is a person qualified to advise about real estate.

If you need legal, tax or other advice, consult with a professional in that field.

Disclosure Regarding Real Estate Agency Relationships

Seller's Agent

A seller's agent is an agent who is engaged by a seller to represent the seller's interests. The seller's agent does this by securing a buyer for the seller's home at a price and on terms acceptable to the seller. A seller's agent has, without limitation, the following fiduciary duties to the seller: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A seller's agent does not represent the interests of the buyer. The obligations of a seller's agent are also subject to any specific provisions set forth in an agreement between the agent and the seller. In dealings with the buyer, a seller's agent should (a) exercise reasonable skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the value or desirability of property, except as otherwise provided by law.

Buyer's Agent

A buyer's agent is an agent who is engaged by a buyer to represent the buyer's interest. The buyer's agent does this by negotiating the purchase of a home at a price and on terms acceptable to the buyer. A buyer's agent has, without limitation, the following fiduciary duties to the buyer: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A buyer's agent does not represent the interest of the seller. The obligations of a buyer's agent are also subject to any specific provisions set forth in an agreement between the agent and the buyer. In dealings with the seller, a buyer's agent should (a) exercise reasonable skill and care in performance of the

agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the buyer's ability and/or willingness to perform a contract to acquire seller's property that are not inconsistent with the agent's fiduciary duties to the buyer.

Broker's Agents

A broker's agent is an agent that cooperates or is engaged by a listing agent or a buyer's agent (but does not work for the same firm as the listing agent or buyer's agent) to assist the listing agent or buyer's agent in locating a property to sell or buy, respectively, for the listing agent's seller or the buyer agent's buyer. The broker's agent does not have a direct relationship with the buyer or seller and the buyer or seller cannot provide instructions or direction directly to the broker's agent. The buyer and the seller therefore do not have vicarious liability for the acts of the broker's agent. The listing agent or buyer's agent do provide direction and instruction to the broker's agent and therefore the listing agent or buyer's agent will have liability for the acts of the broker's agent.

Dual Agent

A real estate broker may represent both the buyer and the seller if both the buyer and seller give their informed consent in writing. In such a dual agency situation, the agent will not be able to provide the full range of fiduciary duties to the buyer and seller. The obligations of an agent are also subject to any specific provisions set forth in an agreement between the agent, and the buyer and seller. An agent acting as a dual agent must explain carefully to both the buyer and seller that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the buyer and seller are giving up their right to undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A seller or buyer may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the buyer and seller provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the buyer and another sales agent to represent the seller. A sales agent works under the supervision of the real estate broker. With the informed consent of the buyer and the seller in writing, the designated sales agent for the buyer will function as the buyer's agent representing the interests of and advocating on behalf of the buyer and the designated sales agent for the seller will

New York State Disclosure Form for Buyer and Seller

function as the seller's agent representing the interests of and advocating on behalf of the seller in the negotiations between the buyer and seller.
